A delicious picnic lunch and a glass of wine in a beautiful vineyard setting, is one of life's greatest pleasures. We encourage you to spend the afternoon enjoying our fabulous wines and delicious food by Amphora Catering.

You may picnic on our grounds or inside the winery building. Place your order with Amphora 24 hours in advance of your visit (48 hours for a Sunday visit), and it will be available for pickup upon your arrival, hassle free! No outside food will be permitted in the Winery building area, or the attached covered patios. Only food purchased at the winery from Amphora's Picnic Menu will be permitted in those spaces.

Amphora's picnic menus are best paired with TWABR wines that you may purchase that same day, or call ahead to schedule a private tasting with our Winery Staff. No outside alcoholic beverages are permitted. Soft beverages, juices and bottled water are available for purchase on site for your convenience.

Amphora offers upscale personal picnic boxes, and a selection of gourmet platters to share. All picnics are ready to enjoy with appropriate disposables, serving utensils, and delivery to the Winery! Platters options are available for 10 guests and up. Personal picnic boxes serve 1.
